## Gold Has Been Discovered in Wyandotte County Lake

A "golden trout" (a hybrid rainbow trout) is now swimming the waters of Wyandotte County Lake. The lucky fisherman/fisherwoman who catches this rare fish will win the "wealth of prizes" that are listed below. If this elusive fish is not caught by June 1<sup>st</sup>, all prizes will be awarded in a drawing from all trout permits.

**The lucky angler** who catches the golden trout must bring the live or frozen fish to the Parks and Recreation Office (5033 State Ave.) for confirmation on the next business day.

**The Lake Opens for Fishing on March 6<sup>th</sup>.**
